3.3 Notice

If a Party becomes aware that any of the representations, warranties, or covenants in this Agreement are no longer true during the Term, such Party must immediately notify the other Parties in accordance with the notice provisions of Section 13.1.

ARTICLE 4: COMMENCEMENT AND TERMINATION OF AGREEMENT

4.1 Term

The term of this Agreement will commence upon the Effective Date and continue through the end of the Delivery Period (the “Term”); provided, however, that the provision of PIPP Supply by PIPP Supplier will commence on June 1, 2019 at 12:00:01 a.m. prevailing Eastern Time.

4.2 Effect of Termination on Obligations: Survival

Termination of this Agreement, including Early Termination as between AES Ohio and a PIPP Supplier for any reason, shall not relieve AES Ohio or such PIPP Supplier of any obligation accruing on or prior to such termination. All provisions of this Agreement which must, in order to give full force and effect to the rights and obligations of the Parties, survive termination or expiration of this Agreement shall so survive, including Articles 5, 10, 11, 12 and 13 and Sections 2.6, 6.6, 6.9, 8.1(d) and (h), in accordance with the terms thereof.

4.3 Mutual Termination

AES Ohio and the PIPP Supplier may agree at any time during the Term to terminate their respective rights and obligations hereunder on such terms and under such conditions as they mutually deem to be appropriate as set forth in a mutual termination agreement acceptable in form and substance to AES Ohio and such PIPP Supplier.

4.4 Early Termination

This Agreement may be terminated as between AES Ohio and the PIPP Supplier prior to the end of the Term due to the occurrence of an Event of Default and the declaration of an Early Termination Date by the Non-Defaulting Party pursuant to Section 5.2 (an “Early Termination”).

ARTICLE 5: BREACH AND DEFAULT

5.1 Events of Default

An “Event of Default” shall mean with respect to a Party (the “Defaulting Party”) the occurrence of any of the following:

(a) the failure of the Defaulting Party to make, when due, any payment required pursuant to this Agreement (including under Section 8.2(b)) if such failure is not remedied within one (1) Business Day after receipt of written notice of non-payment;

(b) with respect to the PIPP Supplier, the failure of the Defaulting Party to provide Margin Collateral, or with respect to AES Ohio, the failure of the Defaulting Party to return Excess Collateral, in each case pursuant to Section 6.7;

(c) failure of the Defaulting Party to comply with its obligations pursuant to Article 6 (except to the extent constituting a separate Event of Default under Section 5.1(b)) if such failure is not remedied within three (3) Business Days of such failure;

(d) any representation or warranty made by the Defaulting Party herein is false or misleading in any material respect when made;

(e) the failure of the Defaulting Party to comply with the requirements of Sections 2.9 and 2.11 if such failure is not remedied within three (3) Business Days of such failure;

(f) PJM has declared the Defaulting Party to be in default of any provision of any PJM Agreement, which default prevents the Defaulting Party’s performance hereunder, if such failure is not remedied within three (3) Business Days after written notice;

(g) the failure of the Defaulting Party to perform any material obligation set forth in this Agreement (except to the extent constituting a separate Event of Default) if such failure is not remedied within three (3) Business Days after written notice;

(h) the Defaulting Party becomes Bankrupt;

(i) PJM holds AES Ohio responsible for the provision of PIPP Supply, including Energy, Capacity and Ancillary Services, to meet the Defaulting Party's PIPP Supplier Responsibility Share under this Agreement;

(j) the occurrence and continuation of: (i) a default, event of default or other similar condition or event in respect of the Defaulting Party or its Guarantor, if applicable, under one or more agreements or instruments, individually or collectively, relating to indebtedness for borrowed money in an aggregate amount of not less than five percent (5%) of such Defaulting Party's or Guarantor's (as the case may be) TNW, which results in such indebtedness becoming immediately due and payable; (ii) a default by the Defaulting Party or its Guarantor, if applicable, in making on the due date therefore one or more payments in respect of any obligation under contract or at law, individually or collectively, in an aggregate amount of not less than five percent (5%) of such Defaulting Party's or Guarantor's (as the case may be) TNW; or (iii) a default, event of default or other similar condition or event by the Defaulting Party under any Other PIPP Supply Agreement or by its Guarantor under any guaranty with respect to any Other PIPP Supply Agreement; and

(k) with respect to a Defaulting Party's Guarantor, if any, (i) any representation or warranty made by such Guarantor in connection with this Agreement or any related Guaranty is intentionally or unintentionally false or misleading in any material respect

when made or when deemed made or repeated; (ii) the failure of such Guarantor to make any payment required or to perform any other material covenant or obligation in any Guaranty made in connection with this Agreement and such failure shall not be remedied within three (3) Business Days after written notice; (iii) the failure of such Guarantor's Guaranty to be in full force and effect (other than in accordance with its terms) prior to the satisfaction of all obligations of the Defaulting Party under this Agreement without the written consent of AES Ohio; (iv) such Guarantor repudiates, disaffirms, disclaims, or rejects, in whole or in part, or challenges the validity of the Guaranty; or (v) such Guarantor becomes Bankrupt.

5.2 Rights Upon an Event of Default

If an Event of Default shall have occurred and be continuing, the Non-Defaulting Party shall have the right to:

(a) immediately suspend performance upon written notice to the Defaulting Party; provided, however, that if the PIPP Supplier is the Non-Defaulting Party, such PIPP Supplier may only suspend performance if the default of the Defaulting Party constitutes an Event of Default under Sections 5.1(a) or (h);

(b) declare an Early Termination and designate by written notice an Early Termination Date which shall be no earlier than the day such designation notice is effective and no later than twenty (20) calendar days after such notice is effective; provided, however, that if the PIPP Supplier is the Non-Defaulting Party, such PIPP Supplier may only declare on Early Termination if the default of the Defaulting Party constitutes an Event of Default under Sections 5.1(a) or (h);

(c) calculate and receive from the Defaulting Party payment for any Default Damages which the Non-Defaulting Party incurs as of the date of the event giving rise to the Event of Default, until the earlier of: (i) the Early Termination Date (if applicable); (ii) the date the Event of Default has been cured by the Defaulting Party; or (iii) the date the Non-Defaulting Party waives such Event of Default;

(d) withhold any payments due to the Defaulting Party under this Agreement as a set-off against any Default Damages, or Termination Payment, as applicable, the Defaulting Party is entitled to receive;

(e) draw down, liquidate, set-off against, or demand payment under, any Guaranty, ICR Collateral and Margin Collateral; and

(f) exercise any other remedies at law or in equity.

5.3 Default Damages; Settlement Amount; Termination Payment

(a) **Default Damages.** Subject to Section 5.3(e), the Defaulting Party shall pay Default Damages on or before three (3) Business Days after receipt of an invoice therefor. The invoice shall include a written statement explaining in reasonable detail the calculation of such amount. Neither Party will be liable for Default Damages if this Agreement is terminated by a Governmental Authority.

(b) **Settlement Amount.** If the Non-Defaulting Party has declared an Early Termination Date pursuant to Section 5.2(b), the Non-Defaulting Party shall have the right to (i) accelerate all amounts owing between the Defaulting Party and the Non-Defaulting Party and to liquidate and terminate the undertakings set forth in this Agreement as between the Defaulting Party and the Non-Defaulting Party; and (ii) withhold any payments due to

the Defaulting Party under this Agreement pending payment of the Termination Payment. The Non-Defaulting Party will calculate, in a commercially reasonable manner, the Settlement Amount with respect to the Defaulting Party's obligations under the Agreement.

(c) **Termination Payment**. The Non-Defaulting Party will calculate a single payment (the "Termination Payment") by netting out (i) the sum of the Settlement Amount under this Agreement payable to the Defaulting Party, plus similar settlement amounts payable to the Defaulting Party under any other agreements between AES Ohio and the PIPP Supplier for the provision of PIPP Supply or similar service (each, an "Other PIPP Supply Agreement") being terminated due to the event giving rise to the Event of Default plus, at the option of the Non-Defaulting Party, any cash or other form of security then available to the Non-Defaulting Party under this Agreement or Other PIPP Supply Agreements and actually received, liquidated and retained by the Non-Defaulting Party, plus any or all other amounts due to the Defaulting Party under this Agreement and, at the option of the Non-Defaulting Party, Other PIPP Supply Agreements, and (ii) the sum of the Settlement Amount under this Agreement payable to the Non-Defaulting Party, plus similar settlement amounts payable to the Non-Defaulting Party under any Other PIPP Supply Agreement plus, at the option of the Non-Defaulting Party, any cash or other form of security then available to the Defaulting Party under this Agreement or Other PIPP Supply Agreements and actually received, liquidated and retained by the Defaulting Party, plus any or all other amounts due to the Non-Defaulting Party under this Agreement and, at the option of the Non-Defaulting Party, Other PIPP Supply Agreements. The Termination Payment will be due to or due from the Non-Defaulting Party as appropriate; provided, however, that if the PIPP Supplier is the Defaulting Party and the Termination Payment is due to such PIPP

Supplier, AES Ohio will be entitled to retain a reasonable portion of the Termination Payment, which may be equal to the entire amount of the Termination Payment, as security for additional amounts that may be determined to be due and owing by such PIPP Supplier as Default Damages; and further provided that any previously attached security interest of AES Ohio in such retained amounts will continue. If the Termination Payment has been retained by AES Ohio as security for additional amounts that may be determined to be due and owing by the PIPP Supplier, and if, upon making a final determination of Default Damages and payment therefor, the Termination Payment, or any portion thereof, is to be made to the PIPP Supplier, AES Ohio will pay simple interest on the Termination Payment amount being made to the PIPP Supplier for the period of such retention. Simple interest will be calculated at the lower of the Interest Index or six percent (6%) per annum.

(d) **Notice of Termination Payment.** As soon as practicable after calculation of the Termination Payment, notice must be given by the Non-Defaulting Party to the Defaulting Party of the amount of the Termination Payment and whether the Termination Payment is due to or due from the Non-Defaulting Party. The notice shall include a written statement explaining in reasonable detail the calculation of such amount. Subject to Section 5.3(e), the Termination Payment must be made by the Party that owes it within three (3) Business Days after such notice is received by the Defaulting Party.

(e) **Disputes With Respect to Default Damages or Termination Payment.** If the Defaulting Party disputes the Non-Defaulting Party's calculation of the Default Damages or Termination Payment, in whole or in part, the Defaulting Party must, within three (3) Business Days of receipt of the Non-Defaulting Party's calculation of the Default

Damages or Termination Payment, provide to the Non-Defaulting Party a detailed written

explanation of the basis for such dispute. Any dispute under this Section 5.3(e) shall be subject to the dispute resolution procedures in Article 10; provided, however, that if the Default Damages or Termination Payment is due from the Defaulting Party, the Defaulting Party must first provide commercially reasonable financial assurances to the Non-Defaulting Party in an amount equal to the Default Damages or Termination Payment, as the case may be.

5.4 Setoff of Payment Obligations of the Non-Defaulting Party

Any payment obligations of the Non-Defaulting Party to the Defaulting Party pursuant to this Agreement or any Other PIPP Supply Agreement will be set off: (i) first, to satisfy any payment obligations of the Defaulting Party to the Non-Defaulting Party pursuant to this Agreement or any Other PIPP Supply Agreement that are unsecured and not subject to any Guaranty; (ii) second, to satisfy any payment obligations of the Defaulting Party to the Non-Defaulting Party pursuant to this Agreement or any Other PIPP Supply Agreement that are unsecured, but which are guaranteed by a Guaranty; and (iii) third, to satisfy any remaining payment obligations of the Defaulting Party to the Non-Defaulting Party pursuant to this Agreement or any Other PIPP Supply Agreement.

5.5 Preservation of Rights of Non-Defaulting Party

The rights of the Non-Defaulting Party under this Agreement, including Sections 5.2, 5.3 and 5.4, will be supplemental to, and not in lieu of, any right of recoupment, lien, or set-off afforded by applicable law, and all such rights are expressly preserved for the benefit of the Non-Defaulting Party.

ARTICLE 6: CREDITWORTHINESS; PERFORMANCE ASSURANCE

6.1 Applicability

The PIPP Supplier agrees that it will meet the creditworthiness standards of this Article 6 at all times during the Term and will inform AES Ohio immediately of any changes in its credit rating or financial condition. Without limiting the foregoing, the PIPP Supplier shall, upon the written request of AES Ohio, affirmatively demonstrate to AES Ohio in a manner satisfactory to AES Ohio its compliance with the creditworthiness standards set forth hereunder. AES Ohio may establish less restrictive creditworthiness standards under this Article 6 in a non-discriminatory manner.

6.2 Creditworthiness Determination

AES Ohio will determine the creditworthiness of the PIPP Supplier or its Guarantor, if applicable, whether organized under the laws of the United States or organized under the laws of a foreign jurisdiction, based on its most recent senior unsecured debt rating (or, if unavailable, its corporate issuer rating). AES Ohio will have full discretion, without liability or recourse to such PIPP Supplier or its Guarantor, if applicable, to evaluate the evidence of creditworthiness submitted by such PIPP Supplier or Guarantor. AES Ohio may re-evaluate the creditworthiness of the PIPP Supplier or Guarantor from time to time, including whenever they become aware of an adverse change in such PIPP Supplier's or Guarantor's credit standing. In addition, the PIPP Supplier may petition AES Ohio to re-evaluate its creditworthiness whenever an event occurs that the PIPP Supplier reasonably believes would improve the determination made by AES Ohio of its or its Guarantor's creditworthiness. AES Ohio's credit re-evaluation must be completed as soon as practicable, but in no event longer than thirty (30) days after receiving a fully documented request. AES Ohio shall

provide the rationale for their determination of the credit limit and any resulting security requirement and such determination shall be deemed final and conclusive. AES Ohio shall perform their credit re-evaluation and associated security calculation in a non-discriminatory manner. The PIPP Supplier or its Guarantor shall provide unrestricted access to its audited financial statements; however, if audited financial statements are not available, AES Ohio may specify other types of financial statements that will be accepted. If AES Ohio determines in their sole discretion that they are unable to adequately assess the PIPP Supplier's or Guarantor's creditworthiness or the credit rating of the PIPP Supplier or its Guarantor is insufficient, such PIPP Supplier shall be required to post ICR Collateral in accordance with Section 6.4 and Margin Collateral in accordance with Section 6.7.

6.3 Independent Credit Requirement

The Independent Credit Requirement ("ICR") that will be required of the PIPP Supplier under this Agreement will initially be the amount set forth on Appendix B-1 and will decline throughout the Term in accordance with the schedule set forth on Appendix B-1.

6.4 Independent Credit Threshold

The PIPP Supplier that qualifies under the following criteria will be granted an Independent Credit Threshold.

(a) For the PIPP Supplier or its Guarantor that has been organized under the laws of the United States, the following requirements must be satisfied in order for such PIPP Supplier to be granted an ICT:

the PIPP Supplier must (1) be rated by at least one of the following rating

agencies: Standard & Poor's Rating Services ("S&P"), Moody's Investors Service, Inc.

(“Moody’s”) or Fitch, Inc. (“Fitch”), and (2) have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating) of at least “BB-“from S&P, “Ba3” from Moody’s or “BB-” from Fitch (a “Minimum Rating”). If the PIPP Supplier is rated by only two rating agencies, and the ratings are split, the higher rating will be used. If the PIPP Supplier is rated by three rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that, in the event that the two highest ratings are common, such common rating will be used. The maximum level of the ICT will be determined based on the following table:

Credit Rating of the PIPP Supplier			Maximum Independent Credit Threshold	
S&P	Moody’s	Fitch	Percentage of TNW	Independent Credit Threshold Cap
BBB+ and above	Baa1 and above	BBB+ and above	10%	N/A
BBB	Baa2	BBB	10%	N/A
BBB-	Baa3	BBB-	10%	N/A
BB+	Ba1	BB+	7%	\$2,000,000
BB	Ba2	BB	2%	\$1,000,000
BB-	Ba3	BB-	1%	\$500,000
Below BB-	Below Ba3	Below BB-	0%	\$0

for a PIPP Supplier having a Guarantor, the Guarantor must (1) be rated by at least one of the following rating agencies: S&P, Moody’s, or Fitch, and (2) have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating) equal to the Minimum Rating. If the Guarantor is rated by only two rating agencies, and the ratings are split, the higher rating will be used. If the Guarantor is rated by three rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that, in the event that the two highest ratings are common, such common rating will be used. The

maximum level of the ICT that can be granted based on an ICT Guaranty will be determined based on the following table:

Credit Rating of the Guarantor			Maximum Independent Credit Threshold	
S&P	Moody's	Fitch	Percentage of TNW	Independent Credit Threshold Cap
BBB+ and above	Baa1 and above	BBB+ and above	10%	N/A
BBB	Baa2	BBB	10%	N/A
BBB-	Baa3	BBB-	10%	N/A
BB+	Ba1	BB+	7%	\$2,000,000
BB	Ba2	BB	2%	\$1,000,000
BB-	Ba3	BB-	1%	\$500,000
Below BB-	Below Ba3	Below BB-	0%	\$0

The PIPP Supplier will be granted an ICT up to the amount of the ICT Guaranty but not exceeding the maximum ICT shown in the table above. If an ICT Guaranty is provided for an unlimited amount, the PIPP Supplier will be granted an ICT up to the maximum ICT shown in the table above. The ICT Guaranty tendered by the PIPP Supplier to satisfy the ICT requirement arising under this Section 6.4 shall be a separate guaranty from the Total Exposure Amount Guaranty, if any, tendered by the PIPP Supplier to satisfy any requirement for a Credit Limit to cover the Total Exposure Amount arising under Section 6.6; provided, however, that a single Guaranty may be provided if such Guaranty is for an unlimited amount.

(b) For a PIPP Supplier or its Guarantor that has not been organized under the laws of the United States, the following requirements must be satisfied in order for such PIPP Supplier to be granted an ICT:

the PIPP Supplier must supply such evidence of creditworthiness as to provide AES Ohio with comparable assurances of creditworthiness as applicable above for PIPP Suppliers that have been organized under the laws of the United States; or

the Guarantor of the PIPP Supplier must supply such evidence of creditworthiness as to provide AES Ohio with comparable assurances of creditworthiness as applicable above for Guarantors of PIPP Suppliers that have been organized under the laws of the United States. AES Ohio may reject such Guarantors that do not meet the creditworthiness requirements.

(c) The PIPP Supplier or any Guarantor of the PIPP Supplier that have not been organized under the laws of the United States must, in addition to all documentation required elsewhere in this Section 6.4, supply the following to AES Ohio as a condition of being granted an ICT:

for the PIPP Supplier: (1) a legal opinion of counsel qualified to practice in the foreign jurisdiction in which the PIPP Supplier is organized that (A) the PIPP Supplier is duly incorporated and existing in such foreign jurisdiction; (B) this Agreement is the binding and enforceable obligation of the PIPP Supplier in such foreign jurisdiction and does not violate any local law or the PIPP Supplier's organizational or governing documents; and (C) all authorizations, approvals, consents, licenses, exemptions or other requirements of governmental, judicial or public bodies in such foreign jurisdiction have been obtained, and all execution formalities have been duly completed, necessary for the enforcement and validity of the Agreement and the performance by the PIPP Supplier of its obligations hereunder; and (2) the sworn certificate of the corporate secretary (or similar officer) of such PIPP Supplier that the Person executing the Agreement on behalf of the

PIPP Supplier has the authority to execute the Agreement and that the governing board of such PIPP Supplier has approved the execution of the Agreement. AES Ohio will have full discretion, without liability or recourse to the PIPP Supplier, to evaluate the sufficiency of the documents submitted by the PIPP Supplier; or

for the Guarantor of the PIPP Supplier: (1) a legal opinion of counsel qualified to practice in the foreign jurisdiction in which the Guarantor is organized that (A) the Guarantor is duly incorporated and existing in such foreign jurisdiction; (B) the Guaranty is the binding and enforceable obligation of the Guarantor in such foreign jurisdiction and does not violate any local law or the Guarantor's organizational or governing documents; and (C) all authorizations, approvals, consents, licenses, exemptions or other requirements of governmental, judicial or public bodies in such foreign jurisdiction have been obtained, and all execution formalities have been duly completed, necessary for the enforcement and validity of the Guaranty and the performance by the Guarantor of its obligations thereunder; and (2) the sworn certificate of the corporate secretary (or similar officer) of such Guarantor that the Person executing the Guaranty on behalf of the Guarantor has the authority to execute the Guaranty and that the governing board of such Guarantor has approved the execution of the Guaranty.

AES Ohio will have full discretion, without liability or recourse to the Guarantor or the PIPP Supplier, to evaluate the sufficiency of the documents submitted by such Guarantor.

(d) A PIPP Supplier who does not qualify for an ICT or whose ICT plus the amount of any cash or Letter of Credit already posted in accordance with Section 6.9 to satisfy its aggregate ICR under this Agreement and any Other PIPP Supply Agreement (the

“ICR Collateral”) does not meet its aggregate ICR under this Agreement and any Other

PIPP Supply Agreement, must post ICR Collateral at the time of or prior to the Effective Date to the extent its aggregate ICR under this Agreement and any Other PIPP Supply Agreement exceeds its ICT.

6.5 Mark-to-Market Credit Exposure Methodology

To calculate the Mark-to-Market Exposure Amount for the PIPP Supplier, the following mark-to-market credit exposure methodology will be used. The “mark” for each Billing Month will be determined at the time the Solicitation is completed based on the then prevailing Forward Market Prices. At the time the Solicitation is completed, the Mark-to-Market Exposure Amount for the PIPP Supplier shall be equal to zero. Subsequently, the differences between the prevailing Forward Market Prices on a valuation date and the “mark” prices will be used to calculate the Mark-to-Market Exposure Amounts for the PIPP Supplier. The total Mark-to-Market Exposure Amount will be equal to the sum of the Mark-to-Market Exposure Amounts for each Billing Month during the Original Delivery Period starting from this Agreement's Effective Date, as applicable. Forward Market Prices will be determined by publicly available market quotations obtained by AES Ohio; provided, however, if such quotations are not publicly available, Forward Market Prices will be determined by AES Ohio using any method which AES Ohio deems appropriate and which reasonably reflects forward market pricing conditions in PJM. The methodology for calculation of the Mark-to-Market Exposure Amount is illustrated in the example (using hypothetical numbers) in Appendix B-2, including, but without limiting the preceding sentence, a methodology AES Ohio expects to use to derive off-peak Forward Market Prices.

6.6 Credit Limit

The following criteria constitute AES Ohio’s creditworthiness requirements for the PIPP Supplier to cover the Total Exposure Amount:

(a) for the PIPP Supplier to be granted a Credit Limit without delivering a Total Exposure Amount Guaranty or other performance assurances acceptable to AES Ohio, in the case of a PIPP Supplier organized under the laws of the United States, the PIPP Supplier must (1) be rated by at least one of the following rating agencies: Standard & Poor’s Rating Services (“S&P”), Moody’s Investors Service, Inc. (“Moody’s”) or Fitch, Inc. (“Fitch”), and (2) have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating) of at least “BB-“from S&P, “Ba3” from Moody’s or “BB-” from Fitch (a “Minimum Rating”). If the PIPP Supplier is rated by only two rating agencies, and the ratings are split, the higher rating will be used. If the PIPP Supplier is rated by three rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that, in the event that the two highest ratings are common, such common rating will be used. The maximum level of the Credit Limit to cover the Total Exposure Amount will be determined based on the following table:

Credit Rating of the PIPP Supplier			Maximum Credit Limit (calculated as the lesser of the percentage of TNW and the Credit Limit Cap below)	
S&P	Moody’s	Fitch	Percentage of TNW	Credit Limit Cap
BBB+ and above	Baa1 and above	BBB+ and above	10%	\$5,000,000
BBB	Baa2	BBB	10%	\$4,000,000
BBB-	Baa3	BBB-	10%	\$3,000,000
BB+	Ba1	BB+	7%	\$1,500,000
BB	Ba2	BB	2%	\$750,000
BB-	Ba3	BB-	1%	\$500,000
Below BB-	Below Ba3	Below BB-	0%	\$0

The PIPP Supplier will be required to post cash or a letter of credit in an acceptable form as defined in Section 6.9(b) below (see standard format in Appendix C; or

(b) for PIPP Supplier delivering a Total Exposure Amount Guaranty, in the case of a Guarantor organized under the laws of the United States, the Guarantor providing the Total Exposure Amount Guaranty must (1) be rated by at least one of the following rating agencies: S&P, Moody's, or Fitch, and (2) have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating) equal to the Minimum Rating. If the Guarantor is rated by only two rating agencies, and the ratings are split, the higher rating will be used. If the Guarantor is rated by three rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that, in the event that the two highest ratings are common, such common rating will be used. The maximum level of the Credit Limit to cover the Total Exposure Amount that could be granted based on the Total Exposure Amount Guaranty will be determined based on the following table:

Credit Rating of the Guarantor			Maximum Credit Limit (calculated as the lesser of the percentage of TNW and the Credit Limit Cap below)	
S&P	Moody's	Fitch	Percentage of TNW	Credit Limit Cap
BBB+ and above	Baa1 and above	BBB+ and above	10%	\$5,000,000
BBB	Baa2	BBB	10%	\$4,000,000
BBB-	Baa3	BBB-	10%	\$3,000,000
BB+	Ba1	BB+	7%	\$1,500,000
BB	Ba2	BB	2%	\$750,000
BB-	Ba3	BB-	1%	\$500,000
Below BB-	Below Ba3	Below BB-	0%	\$0

(c) For the PIPP Supplier or Guarantor, if applicable, that has not been organized under the laws of the United States, the following standards will apply:

(i) the PIPP Supplier must supply such evidence of creditworthiness as to provide AES Ohio with comparable assurances of creditworthiness as applicable above for PIPP Suppliers that have been organized under the laws of the United States; or

(ii) if the PIPP Supplier is providing a Total Exposure Amount Guaranty, the Guarantor of a PIPP Supplier must supply such evidence of creditworthiness as to provide AES Ohio with comparable assurances of creditworthiness as applicable above for Guarantor of PIPP Supplier that have been organized under the laws of the United States. AES Ohio may reject Total Exposure Amount Guaranties from Guarantors that do not meet the creditworthiness requirements.

(d) The PIPP Supplier or any Guarantor of the PIPP Supplier, if applicable, that have not been organized under the laws of the United States must, in addition to all documentation required elsewhere in this Section 6.6, supply the following to AES Ohios:

(i) for the PIPP Supplier: (1) a legal opinion of counsel qualified to practice in the foreign jurisdiction in which the PIPP Supplier is organized that (A) the PIPP Supplier is duly incorporated and existing in such foreign jurisdiction; (B) this Agreement is the binding and enforceable obligation of the PIPP Supplier in such foreign jurisdiction and does not violate any local law or the PIPP Supplier's organizational or governing documents; and (C) all authorizations, approvals, consents, licenses, exemptions or other requirements of governmental, judicial or public bodies in such foreign jurisdiction have been obtained, and all execution formalities have been duly completed, necessary for the enforcement and validity of the Agreement and the performance by the PIPP Supplier of its obligations hereunder; and (2) the sworn certificate of the corporate secretary (or similar

officer) of such PIPP Supplier that the Person executing the Agreement on behalf of the

PIPP Supplier has the authority to execute the Agreement and that the governing board of such PIPP Supplier has approved the execution of the Agreement. AES Ohio will have full discretion, without liability or recourse to the PIPP Supplier, to evaluate the sufficiency of the documents submitted by the PIPP Supplier; or

(ii) for the Guarantor of the PIPP Supplier: (1) a legal opinion of counsel qualified to practice in the foreign jurisdiction in which the Guarantor is organized that (A) the Guarantor is duly incorporated and existing in such foreign jurisdiction; (B) the Guaranty is the binding and enforceable obligation of the Guarantor in such foreign jurisdiction and does not violate any local law or the Guarantor's organizational or governing documents; and (C) all authorizations, approvals, consents, licenses, exemptions or other requirements of governmental, judicial or public bodies in such foreign jurisdiction have been obtained, and all execution formalities have been duly completed, necessary for the enforcement and validity of the Guaranty and the performance by the Guarantor of its obligations thereunder; and (2) the sworn certificate of the corporate secretary (or similar officer) of such Guarantor that the Person executing the Guaranty on behalf of the Guarantor has the authority to execute the Guaranty and that the governing board of such Guarantor has approved the execution of the Guaranty. AES Ohio will have full discretion, without liability or recourse to the Guarantor or the PIPP Supplier, to evaluate the sufficiency of the documents submitted by such Guarantor.

For a PIPP Supplier with a Total Exposure Amount Guaranty, the PIPP Supplier will be granted a Credit Limit up to the amount of the Total Exposure Amount Guaranty, but not exceeding the Credit Limit shown in the table above. The Total Exposure Amount Guaranty shall be provided to AES Ohio on or prior to the Effective Date, but may be

modified

in any amended or substitute Total Exposure Amount Guaranty provided to AES Ohio during the Term. The PIPP Supplier, however, may not increase or substitute its Total Exposure Amount Guaranty for the purpose of increasing its applicable Credit Limit during the time period after AES Ohio has made a demand of the PIPP Supplier to cover Margin (a “Margin Call”) but before the PIPP Supplier has provided AES Ohio with cash credited to a deposit account of AES Ohio or a Letter of Credit in accordance with Section 6.7, in each case in an amount equal to the Margin (the “Margin Collateral”). Notwithstanding anything herein to contrary, the PIPP Supplier may increase the limit of its Total Exposure Amount Guaranty after satisfying a Margin Call. Upon AES Ohio’s receipt of an amended or substitute Total Exposure Amount Guaranty increasing the limit of the Total Exposure Amount Guaranty, the PIPP Supplier may request a return of Margin Collateral in accordance with Section 6.7. The PIPP Suppliers will be required to post cash or a letter of credit in an acceptable form as defined in Section 6.9(b) below (see standard format in Appendix C; or

(e) Under no circumstances shall the Credit Limit plus any other credit limit granted to the PIPP Supplier under any Other PIPP Supply Agreement exceed the Credit Limit hereunder.

6.7 Posting Margin Collateral and Return of Excess Collateral

If at any time and from time to time during the Delivery Period, Margin exists with respect to the PIPP Supplier, then AES Ohio on any Business Day may make a Margin Call of such PIPP Supplier; provided however that AES Ohio may not make a Margin Call unless the Margin exceeds the Minimum Margin Threshold. Upon receipt of a Margin Call, the applicable PIPP Supplier shall provide to AES Ohio Margin Collateral, which shall comprise of cash or a Letter of Credit. The Margin Collateral shall be in

an amount equal to the

Margin less the amount of any Margin Collateral already posted by the PIPP Supplier in which AES Ohio has a first priority, perfected security interest to secure the obligations of the PIPP Supplier under this Agreement and any Other PIPP Supply Agreement.

If the PIPP Supplier receives a Margin Call from AES Ohio by 1:00 p.m. prevailing Eastern Time on a Business Day, then such PIPP Supplier shall post Margin Collateral the following Business Day if posting cash and the second Business Day following the Margin Call if posting a Letter of Credit, unless in each case AES Ohio agrees in writing to extend the period to provide Margin Collateral. If the PIPP Supplier receives a Margin Call after 1:00 p.m. prevailing Eastern Time on a Business Day, whether posting cash or a Letter of Credit, then the PIPP Supplier must post Margin Collateral on the second Business Day following the Margin Call unless AES Ohio agrees in writing to extend the period to provide Margin Collateral. AES Ohio will not unreasonably deny a request for a one-day extension of such period.

Margin Collateral being held by AES Ohio not needed to satisfy the Margin (“Excess Collateral”), will be returned to the PIPP Supplier upon receipt of a written request from the PIPP Supplier; provided, however, that the PIPP Supplier may not request Excess Collateral until such Excess Collateral exceeds the Minimum Margin Threshold. If the PIPP Supplier posted cash and notice is received by 1:00 p.m. prevailing Eastern Time on a Business Day, the Excess Collateral will be returned by the following Business Day and if the PIPP Supplier posted cash and notice is received by AES Ohio after 1:00 p.m. prevailing Eastern Time on a Business Day, the Excess Collateral will be returned by the second Business Day following the date of notice. If the PIPP Supplier posted a Letter of Credit, the Excess Collateral shall be returned on the next Business Day following the Business

Day on which the amendment to the Letter of Credit is received from the issuing bank, unless in each case the PIPP Supplier agrees in writing to extend such period for returning the Excess Collateral. The PIPP Supplier will not unreasonably deny a request for a one-day extension of the period for returning the Excess Collateral.

6.8 Grant of Security Interest; Remedies

To secure its obligations under this Agreement, the PIPP Supplier hereby grants to AES Ohio a present and continuing security interest in, and lien on (and right of setoff against), its right, title and interest, whether now owned or hereafter acquired or arising, in (i) all deposit accounts in the name of AES Ohio or partially in the name of AES Ohio or held for the benefit of AES Ohio and all funds credited to any and all of the foregoing, (ii) all securities, instruments (including promissory notes), money (each of the foregoing terms as defined in the UCC), cash and other tangible property delivered to and held by AES Ohio (or its agents or custodians) and (iii) all proceeds (as defined in the UCC) of any and all of the foregoing. The PIPP Supplier agrees to take such action as reasonably required to create and perfect AES Ohio's first priority security interest in, and lien on (and right of setoff against), such collateral and any and all proceeds resulting therefrom or from the liquidation thereof. Upon or at any time after the occurrence or deemed occurrence and during the continuation of an Event of Default where the PIPP Supplier is the Defaulting Party or an Early Termination Date (whether or not such PIPP Supplier was the Defaulting Party), AES Ohio may do any one or more of the following in any order: (i) exercise any of the rights and remedies of AES Ohio, including the right to set-off and liquidation, against any and all Margin Collateral or other collateral of such PIPP Supplier in the possession of AES Ohio, whether held in connection with this Agreement or any Other PIPP Supply Agreement, including any such rights and remedies under law then in effect, free from any claim or right of any nature whatsoever of such PIPP Supplier and (ii) draw on any outstanding Letter of Credit provided by such PIPP Supplier. AES Ohio will apply the proceeds of the collateral realized upon the exercise of such rights or remedies to reduce such PIPP Supplier's obligation

under this Agreement and under any Other PIPP Supply Agreement, and such PIPP

Supplier shall remain liable for any amounts owing to AES Ohio after such application, subject to the AES Ohio's obligation to return any surplus proceeds remaining after all such obligations are satisfied in full.

All notices, demands or requests regarding credit requirements and credit-related security or deposit transfers shall be sent in accordance with Section 13.1.

6.9 Acceptable Forms of Security

At the PIPP Supplier's choice, the following are deemed to be acceptable for posting Margin Collateral if required:

- (a) cash credited to a deposit account of AES Ohio; and
- (b) a Letter of Credit, which shall state that such Letter of Credit will renew automatically for successive one-year or shorter periods, until terminated upon at least ninety (90) days' prior written notice from the issuing financial institution. If AES Ohio receives notice from the issuing financial institution that the Letter of Credit is being cancelled, the PIPP Supplier will be required to provide a substitute Letter of Credit from an alternative bank satisfying the minimum credit rating set forth in the definition of "Letter of Credit". The receipt of the substitute Letter of Credit must be effective as of the cancellation date and delivered to AES Ohio thirty (30) days before the cancellation date of the original Letter of Credit. If the PIPP Supplier fails to supply a substitute Letter of Credit as required, then AES Ohio will have the right to draw on the existing Letter of Credit and to hold the amount as Margin Collateral, as applicable.

If the credit rating of a bank or other financial institution from which a PIPP Supplier has obtained a Letter of Credit falls below the levels set forth in the definition of "Letter of Credit", the PIPP Supplier will immediately notify AES Ohio and, within one

(1)

Business Day of the failure of the financial institution to meet the required credit rating, obtain a suitable Letter of Credit from another bank or other financial institution that meets those standards, unless such period is extended in writing by AES Ohio.

Notwithstanding anything in this Agreement to the contrary, AES Ohio may exercise any rights or claims to any collateral posted, delivered or pledged to them under this Agreement, before, after, concurrently with, or to the exclusion of, any other collateral posted, delivered or pledged prior to applying any cash collateral against, or making a drawing under any letter of credit in respect of, any liabilities of the PIPP Supplier hereunder or its Guarantor under the Guaranty to AES Ohio or any of them.

6.10 Reporting: Maintenance of Creditworthiness.

(a) The PIPP Supplier must promptly notify AES Ohio of any change in its or its Guarantor's credit rating or financial condition. The PIPP Supplier or Guarantor must also furnish evidence of an acceptable credit rating or financial condition upon the request of AES Ohio.

(b) If the lowest credit rating (whether corporate issuer rating or unsecured senior debt rating) used to determine the PIPP Supplier's Credit Limit adversely changes, AES Ohio will require Margin Collateral from such PIPP Supplier in accordance with Sections 6.4, 6.6 and 6.7. The additional security must be in a form acceptable to AES Ohio, as specified in Section 6.9.

6.11 Interest on Cash Held by AES Ohio

AES Ohio will pay simple interest calculated at the lower of the Interest Index or six percent (6%) per annum on all cash held by AES Ohio pursuant to this Agreement. If applicable, each Billing Month the PIPP Supplier will prepare a statement of interest amounts due from AES Ohio. The statement will be sent to AES Ohio within three (3)

Business

Days after the end of the Billing Month via overnight mail or other expeditious means. AES Ohio will make interest payments on the first Business Day after the fifth (5th) day of each calendar month.

6.12 No Endorsement of PIPP Supplier

AES Ohio's determination of a PIPP Supplier's creditworthiness pursuant to the process set forth in this Article 6 will not be deemed to constitute an express or implied warranty or guarantee of any kind with respect to the financial or operational qualifications of such PIPP Supplier. AES Ohio will treat all PIPP Suppliers in a non-discriminatory manner and shall provide no preference to any PIPP Supplier.

ARTICLE 7: SCHEDULING, FORECASTING AND INFORMATION SHARING

7.1 Scheduling

(a) The PIPP Supplier shall schedule PIPP Supply and make all necessary arrangements for the delivery of PIPP Supply through the PJM Office of Interconnection pursuant to the PJM Agreements.

(b) AES Ohio will provide to the PIPP Supplier and to PJM all information required by PJM for the purpose of calculating the PIPP Supplier's PIPP Supply obligations, including the magnitude and location of the PIPP Supplier's PIPP Supply obligation, as required by the PJM Office of Interconnection.

7.2 Load Forecasting

AES Ohio shall not be required to provide to any PIPP Supplier any load forecasting services.

ARTICLE 8: BILLING AND SETTLEMENT

8.1 Invoice Statement

Subject to Section 8.2, AES Ohio and the PIPP Supplier shall pay all amounts due to each other hereunder in accordance with the following provisions:

(a) for each Billing Month, AES Ohio will prepare and provide an invoice to the PIPP Supplier, which will show (i) amounts due to the PIPP Supplier equal to the Price multiplied by the PMEA, (ii) the PMEA/FMEA Adjustment from such Billing Month, if any, and (iii) all Charges due to AES Ohio incurred during the Billing Month (the "Statement"). AES Ohio will determine the total amount payable by one Party to the other Party by netting the aggregate amounts due and owing to one Party against the aggregate amounts due and owing to the other Party, with the Party, if any, owing the greater aggregate amount paying the other Party the difference between the amounts owed.

(b) The Statement will be sent to the PIPP Supplier within six (6) Business Days after the end of the Billing Month as provided in Section 13.1.

(c) AES Ohio or the PIPP Supplier, as the case may be, will make payment on the first (1st) Business Day after the nineteenth (19th) day of each calendar month.

(d) All payments shall be subject to adjustment for any arithmetic errors, computation errors, or other errors, provided that the errors become known within one (1) year of the earlier of (i) end of the Term or (ii) the Early Termination Date.

(e) AES Ohio or the PIPP Supplier, as the case may be, shall make payments of funds by electronic transfer to a bank designated by AES Ohio and the PIPP Supplier, as applicable.

(f) If a good faith dispute arises between AES Ohio and the PIPP Supplier regarding a Statement, the disputing Party shall be obligated to pay only the undisputed portion of the Statement, if any, and shall present the dispute in writing and submit supporting documentation to the non-disputing Party within one hundred twenty (120) calendar days from the date of the Statement in dispute. Statement disputes must be addressed promptly, and in accordance with the dispute resolution procedures set forth in Article 10. Upon resolution of a Statement dispute, any payments made to either Party will include simple interest on the payment at the lower of the Interest Index or six percent (6%) per annum payable from the date that notice of a Statement dispute was received by the non-disputing Party.

(g) If payment is made to the PIPP Supplier after the due date shown on the Statement, a late fee will be added to the unpaid balance until the entire Statement is paid. This late fee will be calculated at the prime rate J.P. Morgan Chase (or, if not available, another financial institution selected by AES Ohio) charges commercial borrowers.

(h) In the event of a good faith dispute regarding any Statement, the PIPP Supplier will have the right to verify, at its sole expense, the accuracy of the Statement or the calculation of the payment due by obtaining copies of the relevant portions of the books and records of AES Ohio. The right of verification will survive for one (1) year following the earlier of (i) the end of the Term or (ii) the Early Termination Date.

8.2 PJM Billing: Third Party Billing

(a) AES Ohio and the PIPP Supplier shall direct PJM to invoice AES Ohio and such PIPP Supplier for PJM charges and credits relating to such PIPP Supplier's and AES Ohio's rights and obligations under this Agreement. If PJM is unable to invoice

charges or credits

in accordance with the foregoing sentence, AES Ohio shall rectify such PJM invoice discrepancy in the Statement sent pursuant to Section 8.1.

(b) For Capacity purchased by the PIPP Supplier pursuant to Section 2.1(b), such PIPP Supplier shall, unless AES Ohio directs otherwise, be invoiced and submit payment for such Capacity directly to PJM in accordance with the billing practices set forth in the PJM Agreements.

(c) The Parties agree that the PJM invoice may change from time to time. Allocation of any charges that are reflected in a PJM invoice that are not included on or are inconsistent with Appendix F will be determined pursuant to Sections 2.3, 2.4, 2.5, and 13.12.

(d) AES Ohio shall have no responsibility for billing between the PIPP Supplier and any other third party. AES Ohio shall be solely responsible for billing PIPP Customers for PIPP Supply.

ARTICLE 9: SYSTEM OPERATION

9.1 Disconnection and Curtailment by AES Ohio

AES Ohio shall have the right, without incurring any liability to the PIPP Supplier, to disconnect (or otherwise curtail, interrupt or reduce deliveries from) the PIPP Supplier or to disconnect (or otherwise curtail, interrupt or reduce deliveries to) any Customer whenever AES Ohio determines in its discretion acting in good faith that such a disconnection, curtailment, interruption or reduction is necessary to facilitate construction, installation, maintenance, repair, replacement or inspection of AES Ohio's facilities; or due to any other

reason affecting the safe and reliable operation of AES Ohio's or a Customer's facilities, including Emergencies, forced outages or potential overloading of AES Ohio's transmission or distribution circuits, potential damage to any Customer's facilities or any risk of injury to persons, or when AES Ohio is directed by PJM. AES Ohio shall not show any preference for any entity affiliated with it in connection with any such disconnection, curtailment or reduction.

9.2 Loss of Service to PIPP Customers

The Parties agree and acknowledge that service to PIPP Customers may be lost due to storms, weather, accidents, breakage of equipment or other events beyond the reasonable control of AES Ohio affecting the transmission and distribution facilities of AES Ohio. No Party will have any liability to any other Party for the occurrence of such events. In no event will a loss of service to a Customer affect a Party's obligation to make any payments then due or becoming due with respect to performance rendered prior to such loss of service.

9.3 PJM Requirements

The Parties acknowledge and agree that, as members of PJM, each of them is bound by the PJM Agreements and any other operating instructions, policies and procedures set forth by PJM. The PIPP Supplier acknowledges and agrees that it will cooperate with AES Ohio, PJM and the applicable balancing authority and reliability coordinator so that AES Ohio will be in compliance with all PJM emergency operations procedures, which include procedures pertaining to minimum and maximum generation Emergencies, and measures requiring involuntary Customer participation, such as supply voltage reduction or full interruption of Customer load by either manual or automatic means.

9.4 Compliance with Governmental Directives

The PIPP Supplier acknowledges and agrees that AES Ohio may need to act in response to directives by a Governmental Authority that may affect PIPP Supply or PIPP Load. The PIPP Supplier agrees to cooperate fully with AES Ohio in order to comply with such directives.

ARTICLE 10: DISPUTE RESOLUTION

10.1 Informal Resolution of Disputes

Any dispute arising out of or relating to this Agreement shall be subject to the dispute resolution procedures specified in this Article 10. If any dispute arises between any Parties in connection with this Agreement, such Parties in dispute shall first attempt in good faith to resolve such dispute between themselves. The disputing Parties shall comply in good faith with the procedures in this Section 10.1 before commencing litigation under Section 10.2. When any such dispute arises, a disputing Party shall deliver a notice of dispute to the other Party subject to the dispute in accordance with the notice procedures set forth in Section 13.1, such notice of dispute to include the nature of the dispute, the amount involved, if any, and the remedies sought. Within ten (10) Business Days after the receipt of such notice, members of the senior management of the Parties in dispute shall meet in person or by telephone to discuss the dispute. If such Parties have not resolved such dispute or if a meeting of senior management has not occurred within thirty (30) Business Days after receipt of the notice of dispute, then any such Party may bring such action at law or in equity as it deems necessary or desirable, in accordance with the provisions of Section 10.2. Any amounts that are owed by one Party to another Party as a result of resolution of a dispute pursuant to this Section 10.1 shall be paid within two (2)

Business Days of such resolution and the payment shall include interest calculated at the Interest Index from the original due date through the date of payment.

10.2 Formal Dispute Resolution

After the requirements of Section 10.1 have been satisfied, all disputes between the Parties, except where this Agreement requires otherwise, shall be submitted to an Ohio State court of competent jurisdiction or to a federal court of competent jurisdiction situated in the State of Ohio, which courts shall have exclusive jurisdiction to settle disputes arising under or related to this Agreement.

10.3 Recourse to Agencies or Courts of Competent Jurisdiction

Notwithstanding Section 10.2, nothing in this Agreement shall restrict the rights of either Party to file a complaint with the FERC under relevant provisions of the Federal Power Act (“FPA”) or with the PUCO under relevant provisions of the Applicable Legal Authorities. The Parties’ agreement under this Section 10.3 is without prejudice to any Parties’ right to contest the jurisdiction of the FERC or PUCO to which a complaint is brought.

ARTICLE 11: LIMITATION OF LIABILITY; RISK OF LOSS

11.1 Limitation of Liability

Except to the extent expressly set forth in this Agreement, including Article 12, as between AES Ohio and the PIPP Supplier, each Party will be liable to the other for direct damages incurred as a result of such Party’s failure to comply with this Agreement and no Party will have any liability to the other Party for consequential, indirect, special or punitive damages, including lost profits or lost revenues, arising out of such Party’s failure

to comply with its obligations under this Agreement.

11.2 Risk of Loss

Title to and risk of loss with respect to PIPP Supply shall pass from the PIPP Supplier to AES Ohio when such PIPP Supply is delivered to the Delivery Point. Until title passes, the PIPP Supplier shall be deemed in exclusive control of PIPP Supply provided by it and shall bear sole responsibility for any damage or injury caused thereby, subject to the provisions of Section 12.1. After title to such PIPP Supply passes to AES Ohio, AES Ohio shall be deemed in exclusive control of such PIPP Supply and shall bear sole responsibility for any damage or injury caused thereby, subject to the provisions of Section 12.1. Notwithstanding the foregoing, nothing contained in this Agreement is intended to create or increase liability of AES Ohio to any third party beyond such liability, if any, as would otherwise exist under the PJM Agreements or other applicable law if AES Ohio had not taken title.

ARTICLE 12: INDEMNIFICATION

12.1 Indemnification

(a) The PIPP Supplier must defend (at AES Ohio's option), indemnify and hold harmless AES Ohio, their shareholders, board members, directors, officers and employees, agents and attorneys from and against any and all third party (including PJM) claims or liabilities for losses, penalties, expenses, damage to property, injury to or death of any Person including a Party's employees or any third parties, that were caused by or occur in connection with an act or omission of such PIPP Supplier with respect to an obligation arising under or in connection with this Agreement (including such PIPP

Supplier's failure

to submit payments to PJM pursuant to Section 8.2(b)), or for which such PIPP Supplier has otherwise assumed liability under the terms of this Agreement, except to the extent that a court of competent jurisdiction determines that the losses, penalties, expenses or damages were caused wholly or in part by the gross negligence or willful misconduct of AES Ohio. AES Ohio may, at their own expense, retain counsel and participate in the defense of any such suit or action.

(b) Intentionally left blank.

(c) The obligation of a Party to defend, indemnify, and hold harmless another Party under this Article will not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for either Party under any statutory scheme, including any Worker's Compensation Acts, Disability Benefit Acts or other Employee Benefit Acts.

(d) If a Party intends to seek indemnification under Sections 12.1(a) or 12.1(b), as applicable, from any other Party, the Party seeking indemnification shall give the other Party notice of such claim within thirty (30) days of the later of the commencement of, or the Party's actual knowledge of, such claim or action. Such notice shall describe the claim in reasonable detail, and shall indicate the amount, estimated if necessary, of the claim that has been, or may be, sustained by said Party. To the extent the other Party will have been actually and materially prejudiced as a result of the failure to provide such notice, such notice will be a condition precedent to any liability of the other Party under the provisions for indemnification contained in this Agreement. No Party may settle or compromise any claim without the prior consent of AES Ohio (for an indemnification under Section 12.1(a) or

the Indemnified Parties involved (for an indemnification under Section 12.1(b)); provided, however, such consent shall not be unreasonably withheld or delayed.

ARTICLE 13: MISCELLANEOUS PROVISIONS

13.1 Notices

All notices, demands or requests required or permitted under this Agreement must be in writing and must be personally delivered or sent by email, overnight express mail, courier service or facsimile transmission (provided that in the case of an email or facsimile, the original shall then be transmitted by any of the other aforementioned delivery methods) addressed as follows:

Notice received after the close of the Business Day will be deemed received on the next Business Day. Notice by email or facsimile transmission will be deemed to have been received by the recipient on the date the recipient confirms receipt either orally or in writing.

13.2 No Waiver or Prejudice of Rights

The failure of a Party to insist in one or more instances upon strict performance of any provisions of this Agreement, or to take advantage of any of its rights hereunder, may not be construed as a waiver of any such provisions or the relinquishment of any such right or any other right hereunder, which will remain in full force and effect. No term or condition of this Agreement will be deemed to have been waived and no breach excused unless such waiver or consent to excuse is in writing and signed by the Party claimed to

have waived or consented to excuse.

13.3 Assignment

(a) AES Ohio may not assign this Agreement or their rights or obligations hereunder without the prior written consent of the PIPP Supplier, which consent may not be unreasonably withheld; provided, however, that AES Ohio may, without the consent of the PIPP Supplier:

transfer, sell, pledge, encumber or assign this Agreement or the accounts, revenues or proceeds hereof in connection with any financing or other financial arrangements;

transfer or assign this Agreement to any Person having a Minimum Rating;
and

transfer or assign this Agreement to any Person succeeding to all or substantially all of the assets of AES Ohio.

(b) In the case of an assignment pursuant to Section 13.3(a)(ii) and (iii) above, AES Ohio may assign their obligations under this Agreement and shall be relieved of such obligations upon the assignment and assumption of the assignee of such obligations and PIPP Supplier's receipt of notice thereof, except for such obligations of AES Ohios which have arisen prior to the date of the assignment.

(c) The PIPP Supplier may not assign this Agreement or its rights or obligations hereunder without the prior written consent of AES Ohio, which consent may not be unreasonably withheld, it being understood that any assignee of such PIPP Supplier must meet the creditworthiness requirements set forth in Article 6; provided, however, that such

PIPP Supplier may, without the consent of AES Ohio (and without relieving itself from liability hereunder) pledge or assign this Agreement or the accounts, revenues or proceeds hereof in connection with any financing or other financial arrangements; provided further, however, that if any of the lenders receiving the collateral assignment foreclose or otherwise exercise remedies against the PIPP Supplier, such lenders may not transfer, pledge or assign this Agreement to a Person who does not meet the creditworthiness requirements set forth in Article 6.

13.4 Governing Law

To the extent not subject to the jurisdiction of the FERC, questions including those concerning the formation, validity, interpretation, execution, amendment, termination and construction of this Agreement will be governed by the laws of the State of Ohio, without regard to principles of conflicts of law.

13.5 Third Party Beneficiaries

This Agreement is intended solely for the benefit of the Parties hereto. Nothing in this Agreement may be construed to create any duty, or standard of care with reference to, or any liability to, any Person not a Party to this Agreement.

13.6 Unenforceability or Invalidity

Should any provision of this Agreement be held invalid or unenforceable, such provision will be invalid or unenforceable only to the extent of such invalidity or unenforceability without invalidating or rendering unenforceable any other provision hereof, unless it materially changes the agreement of the Parties.

13.7 Entire Agreement

Each of the Parties acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms. This Agreement is intended by the Parties as a final expression of their agreement with respect to the subject matter hereof. The Parties further agree that this Agreement is the complete and exclusive statement of agreement with respect to the subject matter hereof and supersedes all proposals (oral or written), understandings, representations, conditions, warranties, covenants and all other communications between the Parties relating thereto.

13.8 Taxes

All present and future federal, state, municipal or other taxes imposed by any taxing authority by reason of the provision of PIPP Supply by a PIPP Supplier under this Agreement (collectively, the “Taxes”) will be the liability of the PIPP Supplier, except for Ohio sales and use taxes imposed under Ohio Rev. Code Ann. Tit. 57, Chapters 5739, 5740 and 5741 (the “Ohio Sales and Use Taxes”), which will be AES Ohio’s responsibility. Should the PIPP Supplier be required to remit any Ohio Sales and Use Taxes directly to the applicable taxing authority, other than Ohio Sales and Use Taxes previously collected by the PIPP Supplier on behalf of AES Ohio, AES Ohio will defend and indemnify the PIPP Supplier for such Ohio Sales and Use Taxes and will pay to the PIPP Supplier all such tax amounts upon demand. The PIPP Supplier shall pay all Taxes (other than Ohio Sales and Use Taxes) to the applicable taxing authority to the extent required or permitted by law. If any transaction is exempt from the payment of any such Taxes, the PIPP Supplier will, if requested, provide AES Ohio with valid tax exemption certificates. Should AES Ohio be required to remit any Taxes directly to any applicable taxing authority (other than Ohio Sales and Use Taxes and other Taxes previously collected by AES Ohio directly from the PIPP Supplier),

the PIPP Supplier will defend and indemnify AES Ohio and will pay to AES Ohio all such Tax amounts upon demand.

Each Party shall provide to the other Party all information, data and exemption certificates as such other Party may from time to time reasonably request and otherwise fully cooperate with such other Party in connection with the reporting of (i) any Taxes payable by the PIPP Supplier; (ii) any Tax audit; or (iii) any assessment, refund claim or proceeding relating to Taxes. Each Party shall cooperate with the other Party and take any action reasonably requested, which does not cause the Party to incur any material cost or inconvenience, in order to minimize any Taxes payable.

13.9 Rules of Interpretation

The following principles shall be observed in the interpretation and construction of this Agreement:

(a) unless otherwise stated, the terms “include” and “including” when used in this Agreement shall be interpreted to mean by way of example only and shall not be considered limiting in any way;

(b) all titles and headings used herein are for convenience and reference purposes only, do not constitute a part of this Agreement and shall be ignored in construing or interpreting the obligations of the parties under this Agreement;

(c) references to the singular include the plural and vice versa;

(d) any references to “and” or “or” shall mean “and/or” as the context so requires;

(e) references to Articles, Sections, Appendices and the preamble are, unless the context indicates otherwise, references to Articles, Sections, Appendices and the preamble of this Agreement;

(f) any reference to laws, rules, regulations, ordinances or decrees in this Agreement shall mean such law, rules, regulations, ordinances and decrees as may be amended, modified, replaced, codified or superseded from time to time; and

(g) this Agreement shall not be interpreted or construed to create an association, joint venture, or partnership between the Parties (or any of them), or to impose any partnership obligation or liability upon any Party.

13.10 Confidentiality

(a) Each Party shall hold in confidence and not release or disclose any document or information furnished by the other Party in connection with this Agreement, unless (i) compelled to disclose such document or information by judicial, regulatory or administrative process or other provisions of law or it reasonably believes it is necessary or advisable to disclose such document or information in connection with any PUCO or FERC regulatory proceeding; (ii) such document or information is generally available to the public; or (iii) such document or information was available to the receiving Party on a non-confidential basis from a third party, provided that the receiving Party does not know that such third party is prohibited from transmitting the document or information to the receiving Party by a contractual, legal or fiduciary obligation.

(b) Notwithstanding any other provision of this Section 13.10, a Party may disclose to its employees, representatives, agents and rating agencies all documents and information furnished by the other Party in connection with this Agreement, provided that they have been advised of the confidentiality provisions of this Section 13.10, and further provided that in no event shall a document or information be disclosed in violation of the standard of conduct requirements established by FERC.

(c) The PIPP Supplier agrees that the PIPP Supplier's data and information submitted in the Solicitation will be disclosed if required by any federal, state or local agency (including the PUCO) or by a court of competent jurisdiction. However, AES Ohio will endeavor to notify the PIPP Supplier in advance of such disclosure. In any event, AES Ohio, nor any of their employees or agents, will be responsible to the PIPP Suppliers or any other party, or liable for any disclosure of such data or information.

Notwithstanding

the above, AES Ohio reserves the right to use and communicate publicly to third parties any and all information and data submitted as part of the Solicitation in any proceedings before FERC, the PUCO, and any other regulatory body and the courts, if AES Ohio deems it necessary or advisable, without the prior consent of, or notice to, the PIPP Supplier.

(d) The Parties agree that monetary damages may be inadequate to compensate a Party for the other Party's breach of its obligations under this Section 13.10. Each Party accordingly agrees that the other Party shall be entitled to equitable relief, by way of injunction or otherwise, if the Party breaches or threatens to breach its obligations under this Section 13.10, which equitable relief shall be granted without bond or proof of damages, and the receiving Party shall not plead in defense that there would be an adequate remedy at law.

13.11 Amendment

Except as provided in Section 13.12, this Agreement shall not be amended, modified, terminated, discharged or supplanted, nor any provision hereof waived, unless mutually agreed in writing by the Parties. Except as provided in Section 13.12, the rates, terms and conditions contained in this Agreement are not subject to change under Sections 205 and 206 of the Federal Power Act absent the mutual written agreement of the Parties. Absent the agreement of all Parties, the standard of review for changes to this Agreement proposed by a Party, a non-Party or the FERC acting sua sponte shall be the "public interest" standard of review set forth in United Gas Pipe Line Co. v. Mobile Gas Service Corp., 350 U.S. 332 (1956), and Federal Power Commission v. Sierra Pacific Power Co., 350 U.S. 348 (1956) and affirmed by Morgan Stanley Capital Group, Inc. v. Public Utility

District No. 1 of Snohomish County, Washington, et al., 554 U.S.____, 128 S. Ct. 2733

(June 26, 2008).

13.12 PJM Agreement Modifications

(a) If the PJM Agreements are amended or modified so that any term, schedule or section reference herein to such agreements is changed, such term, schedule or section reference herein shall be deemed automatically (and without any further action by the Parties) to refer to the new term, schedule or section in the PJM Agreements which replaces that originally referred to in this Agreement.

(b) If the applicable provisions of the PJM Agreements referenced herein, or any other PJM rules relating to the implementation of this Agreement, are changed materially from those in effect on the Effective Date, the Parties shall cooperate to make conforming changes to this Agreement to fulfill the purposes of this Agreement.

13.13 Agent

AES Ohio shall have the right at any time and from time to time during the Term to appoint an agent to act on their behalf to exercise or pursue any of their rights or remedies and to perform any of their obligations or duties under this Agreement. AES Ohio shall give the PIPP Supplier thirty (30) days prior written notice before the appointment of an agent.

13.14 Counterparts

This Agreement may be executed in counterparts, each of which will be considered an original, but all of which will constitute one instrument.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives as of the date first set forth above.

APPENDIX B-2

EXAMPLE MARK-TO-MARKET EXPOSURE AMOUNT CALCULATION

The following is an illustration of the methodology AES Ohio will use to determine the Mark-to-Market Exposure Amounts for the PIPP Supplier, including a methodology AES Ohio expects to use to derive off-peak Forward Market Prices. Notwithstanding the foregoing, if AES Ohio is unable to obtain publicly available market quotations for Forward Market Prices, Forward Market Prices will be determined by AES Ohio using any method which AES Ohio deems appropriate and which reasonably reflects forward market pricing conditions in PJM.

On the closing day of the Solicitation, the following parameters are determined by AES Ohio:

1. The expected On-Peak PIPP Load;
2. The expected Off-Peak PIPP Load;
3. Prevailing On-Peak Forward Market Prices for each month during the Original Delivery Period; and
4. Ratios of Off-Peak to On-Peak monthly Forward Market Prices for each month during the Original Delivery Period (to be used to determine the Off-Peak Forward Market Prices from the On-Peak Forward Market Prices).

The Forward Market Prices prevailing on the closing day of the Solicitation are used to establish the "mark" for each month during the Original Delivery Period. Table 1 contains hypothetical initial On-Peak Forward Market Prices for a 12-month Original Delivery Period from June 2017 through May 2018. The initial Off-Peak Forward Market Prices are determined by multiplying the On-Peak Forward Market Prices for each Billing Month in Table 1 by the ratios of off-peak to on-peak prices for each Billing Month in Table 2. Table 3 contains the hypothetical "marks" established on the day the Solicitation

is completed using the Forward Market Prices established in Tables 1 and 2. The "marks" will not change over the Original Delivery Period.

For each calculation of the Mark-to-Market Exposure Amount, AES Ohio will determine the Forward Market Prices for each month during the Original Delivery Period. Table 4 contains hypothetical Forward Market Prices as of the first day of the Original Delivery Period. Table 5 contains a calculation of the Mark-to-Market Exposure Amount as of the first date of the Delivery Period for the twelve-month Original Delivery Period based on the difference between the hypothetical "marks" set forth in Table 3 and the hypothetical Forward Market Prices set forth in Table 4.

FORM OF GUARANTY

GUARANTY (this “Guaranty”), dated as of _____, made by _____ (the “Guarantor”), a corporation organized and existing under the laws of _____ in favor of The Dayton Power and Light Company d/b/a AES Ohio (the “Guaranteed Party” or “Beneficiary”), corporations organized and existing under the laws of the State of Ohio. Capitalized terms used herein but not defined herein shall have the meaning given such terms in the Agreement (defined below).

Guarantor enters into this Guaranty in consideration of, and as an inducement for, Beneficiary having entered into or entering into that certain Master PIPP Supply Agreement dated _____ (the “Agreement”) with _____ [Name], a _____ [State] [corporation] (the “PIPP Supplier”), which may involve the extension of credit by the Beneficiary. Guarantor, subject to the terms and conditions hereof, hereby unconditionally and absolutely guarantees to the Beneficiary the full and prompt payment when due, upon demand in writing from the Beneficiary to the Guarantor’s attention at the address for Guarantor set forth in Article 11 hereof, of any and all amounts payable by the PIPP Supplier to the Beneficiary arising out of the Agreement, and:

1. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of the principal and interest on any sums due and payable by the PIPP Supplier as a result of an Event of Default under the Agreement (including indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreement). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall [Option 1 {in no event exceed _____}.] Option 2 {in no event exceed the lesser of the credit limit amount or the sum of the Total Exposures Amounts under the Agreement(s).}] All such principal, interest, obligations and liabilities, collectively, are the “Guaranteed Obligations”. This Guaranty is a guarantee of payment and not of collection.
2. The Guarantor hereby waives diligence, acceleration, notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives presentment and all demands whatsoever except as noted herein, notice of protest, notice of dishonor or nonpayment of any such liability, suit or taking of other action by any Guaranteed Party against, and any other notice to, any party liable thereon (including the Guarantor or any other guarantor), filing of claims with a court in the event of the insolvency or bankruptcy of the PIPP Supplier, and any right to require a proceeding first against the PIPP Supplier.

3. The Beneficiary may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (i) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any document or any person (including the PIPP Supplier) that the Beneficiary determine in their sole discretion to be necessary or appropriate; (ii) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the PIPP Supplier to the Beneficiary; or (iii) compromise or subordinate any Guaranteed Obligation(s) or liability of the PIPP Supplier to the Beneficiary including any security therefore.
4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (i) any extension, renewal, settlement, compromise, waiver, consent, discharge or release of the PIPP Supplier concerning any provision of the Agreement(s) in respect of any Guaranteed Obligations of the PIPP Supplier; (ii) the rendering of any judgment against the PIPP Supplier or any action to enforce the same; (iii) the existence, or extent of, any release, exchange, surrender, non-perfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations (to which the Guarantor hereby consents) ; (iv) any modification, amendment, waiver, extension of or supplement to any of the Agreement(s) or the Guaranteed Obligations agreed to from time to time by the PIPP Supplier and the Beneficiary; (v) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the PIPP Supplier or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the PIPP Supplier or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (vi) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the PIPP Supplier, the Beneficiary or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (vii) the invalidity, irregularity or unenforceability in whole or in part of the Agreement or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the PIPP Supplier of amounts to be paid by it under the Agreement or any of the Guaranteed Obligations; and (viii) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the PIPP Supplier, any other guarantor, the Beneficiary or any other corporation or person or any other event, occurrence or circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.
5. The Guarantor hereby irrevocably waives (i) any right of reimbursement or contribution, and (ii) any right of salvage against the PIPP Supplier or any collateral security or guaranty or right of offset held by the Beneficiary therefor.

6. The Guarantor will not exercise any rights which it may acquire by way of subrogation until all Guaranteed Obligations to the Beneficiary pursuant to the Agreement have been paid in full.
7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. Except for a failure to comply with any applicable statute of limitations, no failure or delay on the part of the Beneficiary in exercising any right, power or privilege hereunder, and no course of dealing between the Guarantor and the Beneficiary, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and remedies herein expressly provided are cumulative and not exclusive of any rights, powers or remedies, which the Beneficiary would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice of demand in similar or other circumstances or constitute a waiver of the rights of the Beneficiary to any other or further action in any circumstances without notice or demand.
8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Beneficiary and their successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Beneficiary. The assignment rights of the Beneficiary will be in accordance with the terms of the Agreement.
9. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except upon written agreement of the Beneficiary and the Guarantor.
10. The Guarantor agrees that its liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise.
